* Security Code

The card security code is a unique three or four-digit number printed on your debit/credit card. The number is not embossed on the card so that it cannot be printed on receipts - making it difficult for anyone other than the genuine cardholder to know it. Some cards, many UK-issued cards for example, have a three-digit number printed at the top of the signature strip on the reverse of the card.

Cardholder's Mailing Address

This should be the address to which your card statement is sent. It must match the address held by your card issuer exactly. If it does not, the retailer may decline your purchase, or defer acceptance of your payment and seek further proof of your address.

NOTE: Neither the organiser nor its employees or its appointed PCO shall be liable in Singapore or elsewhere to the registered participant in contract, tort or otherwise except as expressly stated in the registration form.

1. Registration payment can be made via credit card (Visa, Mastercard, Amex), or cheque/bank draft.
2. All cheques / bank drafts should be made payable to "INTEGRATED MEETINGS SPECIALIST PTE LTD" and mailed to the conference secretariat. Kindly indicate your name, contact number and name of the conference (PFAM 2004) at the back of the cheque/bank draft.
3. Registration will only be confirmed upon receipt of payment.

Cancellation Policy

1. A 50% refund will only be made for cancellations made in writing and received by the secretariat on or before 15th OCTOBER 2004.
2. Refunds will only be made after the conference.
